From: Karen Lancaster <lancaster.karen@gmail.com>

To: barriticus@gmail.com

Karen: I just called, left a message for Dad. Will let you know once I chat with him -- but I can get you on a flight as early as next Tuesday June 1st.

Karen: Or later in the month if that works better for you/Caleb/Dad. I'm here all month of June to pick you up, take you to Tyler, etc.

me: okay. Maybe a little bit later than June 1st, perhaps the 4th or 5th would be better.

me: other than that, particular date doesn't matter for me

Karen: OK, Sat 5th is out but Fri 4th or Sun 6th should work. Will wait and let you know when I hear back from your dad.
